DEDICATED TO . . .

A professor who has not only taught us, but has been an inspiration to us throughout our years at Piedmont.....

A friend and leader who always has a personal greeting and smile for everyone.....

A faculty member who is outstanding in her field, and in the hearts and minds of all of us.....

With gratefulness and admiration for her Christian ideals, and with appreciation for her sincere friendship, we dedicate the 1955 YONAHIAN to

Before we continue.....

"The greatest benefit that can be derived from a yearbook is not in the pleasure it brings now, but in the memories it will serve to evoke in future years. This annual is not devoted to retrospect or to prophecies, but rather to today. If, in years to come, it reflects our school as it is to us now, the students who make it what it is, the lessons we learn outside of class, and the changing age in which we find ourselves, then it has served its purpose."

ADMINISTRATION

For the first time in twenty years, which is beyond the memory of many people in our graduating class, the world has been at peace. This is Good News. We remember the year with gratitude. The uncertainties of world affairs and the power of man's self-destruction humble us all. Yet we are thankful for the opportunities we enjoy at present for strengthening "peace on earth, good will toward men."

When news bulletins carry the frightening story of man's jet propulsion through space, we stop short to glory in the memory of a stroll around Lake Demorest alone amid the tall pines and singing cardinals, or together hand-in-hand with a lovely college friend.

When our feet find themselves hustling through a crowded city in the midst of thousands of strange faces, our thoughts must remain fixed on the essentials of surviving in the jungle of humanity; yet at eventide in the quiet of our home, our thoughts wing their way to the simple satisfactions and happy hours of campus years. How swiftly they have gone! How wonderful are their memories!

Our Piedmont fellowship is guided by the Master of Galilee, who said, "Let your light so shine before men that they may see your good works and glorify your Father which is in heaven." Every member of the faculty, in the spirit of the Great Teacher, has endeavored to share the light of truth and knowledge with all who worked together in classes and laboratories, and played together in extra curricular activities.

We believe that the Eternal One will give us light to know His will, and courage to let His light shine in whatever pathway we choose to walk.

One of the highest honors given to any student at Piedmont College is that of being chosen as a nominee for "Who's Who Among Students in American Colleges and Universities". Selections are based upon the student's scholarship, cooperation and leadership in academic and extra-curricular activities, his general citizenship and his promise of future usefulness to business and society.

TO THE ADVERTISERS

We desire to express our grateful appreciation to the Advertisers for their help and cooperation in publishing this book. More than advertising the products or services of the firms present, it is a record of the many friends of the college who contributed to the expense of this YONAHIAN. The staff recommends these firms to you for your patronage, as the yearbook could not have been as comprehensive as it is, without their aid and support.
